

# HANG OUT

Digital Native NEETs - Pathways to Skills Development

## MOOC PLATFORM LAUNCH

Partners successfully launched the MOOC platform where all educational resources are available in all partner languages.

In addition to the materials, the platform also hosts the digital library of content made by participants from all around Europe. Watch some of the TikToks or podcasts that were made by young people and NEETs who participated in the developed WebQuests.

Finally, a Community of Practice can be found on the platform. This is a public forum where adult educators and learners can share interesting resources and news.

## FINAL CONFERENCE IN OPAVA

The final conference hosted by ALK was held on the 6<sup>th</sup> of October in Opava, the Czech Republic.

At this event, all educational and technical results of the HANG OUT to the project was presented to adult educators, policy makers and other stakeholders. Fifty-two people who attended this event also had the opportunity to see some of the videos produced by young people and NEETs.

The project presentation generated a lot of interest, and it was followed by a discussion.

Other partners organized successful Multiplier Events in their countries.

## WHAT'S NEXT?

The project officially ended on the 31<sup>st</sup> of October 2023.

We would like to thank all partners of the project and supporters that helped us to produce and test the educational results.
